Terrazzo Experts Tanzania

Strength Beneath Every Step.

Terrazzo floors, Babati stone and clay brick cladding, decorative stone landscaping —
Dodoma & Dar es Salaam

ABOUT US

Terrazzo, stone and landscaping — from the site visit to the final polish

Terrazzo Experts Tanzania is based in Kisasa, Dodoma. We make terrazzo floors, stairs and countertops, clad walls in Babati stone and clay brick, and lay decorative stone gardens for homes, hotels, offices and public buildings.

5+

years of experience

100+

projects completed

11,900

m² for universities
in 2026

2

cities: Dodoma & Dar
es Salaam

WHAT WE BUILD

Floors, walls and gardens, finished to last

Terrazzo flooring

Marble-chip floors, ground and polished on site.

Ground and polished to a mirror shine

Before polishing

After polishing

HOW WE WORK

Four clear steps

O1

Site visit

Measurement and advice on site, from TZS 10,000.

O2

Quote

A clear price per m², agreed before work starts. 40% advance.

O3

Installation

About 100 m² in 7–10 days. Large sites in phases.

O4

Polish & handover

Mirror finish. Yearly polishing available.

Quality control at every step – from the first measurement to the final polish

FOR HOTELS, UNIVERSITIES, OFFICES, DEVELOPERS

What you get on a large project

- Site visit and measurement before any price
- Sample tile in your chosen colours – you only cover the materials
- A clear price per m², agreed before work starts
- Work in phases on large sites, as at Mzumbe University
- About 100 m² in 7–10 days
- Quality control from measurement to final polish
